**ANTIOCHIAN ORTHODOX CHRISTIAN ARCHDIOCESE
OF NORTH AMERICA**

Beloved Antiochian Women throughout our God-protected Archdiocese,

Throughout the archdiocese, March is dedicated to all of you, our faithful Antiochian Women.

In 2025, we continue to dedicate the Archdiocesan AW-NAB Project to the widowed khouriehs (clergy wives) of our archdiocese. We have set a goal of one million dollars and, so far, we have raised over \$400,000. We have set the funds raised to date through your efforts into a special restricted account and, once we reach our goal, we will have the ability to help those great examples who often get overlooked during the winter years of their lives. Not only do our clergy wives sacrifice for their own families, but also for the larger parish family. Whether directly by their own participation in the activities and life of the parish or, indirectly, by caring for their own families, while their husbands minister to the larger parish family, theirs is a sacrifice above and beyond what most people experience. As the multi-year campaign - which touches the very heart of our archdiocese - continues, we urge every local Antiochian Women's chapter to give their full attention and effort to this project.

Praying for a blessed and spiritually rewarding Fast, I remain,
Your Father in Christ

T. Saba
